Emily, Hants

Dirty double

When my fiancé Sam told me he'd found my "pornalike" on a dirty DVD, I insisted on imitating her randy ways!

I said we should sixty-nine, with me on top, facing the TV.

The me-alike was soon getting double-teamed by two big blokes, one of them tit-riding her as the other one ate her snatch.

Her boobs were soon covered in jizz as he spunked and spanked them with his prick, before coating her nipples at point-blank range.

Now the film focused on the guy eating her snatch, and as Cam's tongue probed and wriggled around in mine, I felt little jolts of pleasure. His

fingers were tickling my clit, flicking over it so softly.

Next up, the stud penetrated the girl's pussy then pulled out. He rubbed her face around his balls

on his belly, still sucking on him. My double was still gulping down the second guy's sackful as I tasted the first of Cam's spurts in my mouth.

He rubbed her face around his balls

before sliding his shaft into her mouth.

I followed the action as best I could, knowing Sam would know what bit I was seeing, and... I don't know if it was from reliving the movie or just straight up from the sucking I was giving his cock, but he was soon pretty close to spunking his wad.

The cum-shot in the film wasn't far off either, so I grabbed the remote. With Cam's cock still in my mouth I rewound, then had him back on the bed, leaning against the headboard.

Now I was resting my head

It was so surreal, like watching myself take a load and experiencing the same. Emily, Portsmouth.

Cougar's muff

Cougars don't just fuck younger men – I think a lot of them like girls, too! Well Angela definitely likes fucking me!

I'm a bi-curious girl in my twenties. She's twice my age and fit as fuck with massive boobs. And she's the one who calls the shots. Mostly it's for practical reasons, but we both get off on her bossing me around, too!

The other night, she texted and told me to get over to her place. I just paused to put on some sexy undies and I was so there.

She was wearing something from a sex shop, too – a strap-on dildo. She pulled off the chick-with-a-dick look scarily well, and I was pretty much fizzing with anticipation as I spread for her.

We'd used toys before, but this was something else, Angela slamming her hips

turn to cum," I murmured when I'd recovered, and just swivelled round so we were sixty-nining. After blowing the dildo for a bit, lapping my own cum-cream off it, I unstrapped it.

Angela was so juiced up

that wasn't how we were playing things that night.

Instead, I just grabbed the end of it and used it by hand, stuffing it in her snatch to fill it while I tongued her clit. She started cumming within minutes and for once, she let

up against mine. It obviously wasn't her first time with it, though – however hard or slow she screwed me, she was angling it so it hit all the hotspots in my pussy. And I knew that, unlike a guy, she could go like this all night.

My eyes were fixed on the big tits wobbling over my face, and the look on her own face as she screwed me hard. Then she pulled out, let me suck the dildo for a bit before laying on her back and getting me to ride her.

I ground on top of her, spreading my thighs to take the toy in as deep as possible, as she played with her own boobs. Then I

raised my arse up slightly and she fucked in from below, stiff and rapid.

As she went back to a slow grind, she slipped a couple of fingers on my clit. I could feel the tension spreading from my crotch until my cheeks were clenched tight, then the pleasure suddenly burst through me and I dropped back down, taking the dildo to the hilt again.

I was tempted to strap the dildo on and see to her, but

Later, she reminded me that she was the one who did the fucking – I was there to lick up afterwards. "Whatever you say," I told her. She does like to boss me around, but I think she gets off on me answering back, too, if what we did next was anything to go by...

LOVING ANGELS IN BED

Photographs by
lovely Brenda

Avoiding big-haired, fake-titted blondes in favour of tattooed, attitude-heavy, silicone-light real girls in home and urban settings, is it any wonder I love, admire and wholly support Joanna Angel and her marvellous website BurningAngel.com, displaying the cream of alt-girls, goth girls and emo girls, all naked. Now the best of the beautiful bunch are featured in this book. Goliath, £19.99.

GIRL PLOUGHER!

If seeing a hairy man-arse isn't your bag (and the failure of much amateur porn can be the presence of a wildly oscillating pair of buttocks obscuring the parts you really want to reach) then check out Your Choice's Lesbiticious Viewers' Wives. Not a misshapen cock or beer belly in sight, just horny

housewives and am-spam sucking models. Wish I could say the same about my life!

Dear Julia

Tracey from Wilts (vol 32 no 4) looked great running around in the snow. Appropriately enough, for a lady who must have been freezing, she gave me a stiffy. Would it be possible for her to do the same, in all types of weather. I'd love to see the 44-year-old tart dripping with rain, oiled up and sunbathing in her back garden, and getting all her clothes blown off in a Force 10 hurricane!

Andrew, Redditch.

All white, love?

DEAR JULIA

Julia says: Shouldn't be hard in weather-bonkers Britain, should it? She'll probably get that little lot ticked off next week!

Dear Julia

I don't see Sexy Sheila the blonde from Sheffield with two cunny rings in her flaps. What's happened to her? Thanks for putting my previous letter about hairy bushes in the mag. I went with this woman the other week who was very hairy round her cunny. What a shag that was! Have you grown your cunny mat yet?

John, Leeds.

Sheila's wheels

Julia says: John, I've barely had time to get it to the allotted length. But perhaps if Sexy Sheila was to grow hers along with me I could be persuaded not to trim for a bit longer.

Dear Julia

Great Easter photos! Jaye looked more voluptuous and gorgeous than ever! Love it!

Stephen, Flitwick.

Easter parade

Julia says: When Jaye eats hot cross buns and Easter eggs all the weight goes to her boobs. Not fair!

HAVE A BUTCHERS

Butcher Babies, our new favourite shock rock band, consist of two awesomely sexy ex-Playboy TV presenter/mortician babes (Carla Harvey and Heidi Shepherd) – and three blokes that we're not that bothered about, but drive the two well-fronted front ladies, who tend to wear not much more than a bit of sticky tape and a gallon of fake blood, on a rollercoaster of Pantera and Slipknot-fuelled "slut metal". The theatrical presence and balls-out rocking have led them to be monikered the hottest band in the world. I just like their tits.

MUMS IN CHARGE

Not so long ago, Mum being in charge meant not being allowed to watch ITV ("because it's common"), having to go to bed in daylight and then being forced to listen to my stepfather bang her through the wall every Friday night. Times have changed and now I'm old enough to put away the "Ewww" factor and realise that Mum getting porked is sexy (just not MY mum, you understand). Zucca
London SE1

Julia Jones gluts herself on pork in three different ways south of the river

Who likes going to lunch with the boss? You have to mind your Ps and Qs (and Fs in my case), watch how much you drink (you try stealing the cutlery in front of him) and go back to the office straight after coffee (while he moves on to the pub).

Our veritable financial director was also insisting I keep the price down after a few extravagances recently – apparently we need the money to bribe Britain's finest to take their clothes off in *Escort* (of course most of them would do it for free).

We headed for Bermondsey where the scrubbing and

main course being a massive veal chop weighing in at just £16. I looked at it being delivered to another table like I look at a particularly hot guy in a club, with narrowed, predatory eyes.

There are no antipasti over five pounds either so we treated ourselves to puntarelle with chilli, caper and anchovy, the deliciously zingy Roman chicory awakening my senses as much as if the boss had extended his shoeless foot and placed it between my legs under the table. "Zucca" fritti (deep-fried pumpkin) and mozzarella with cauliflower and tomato were all fresh and light enough to fool you into thinking if you ate it everyday you wouldn't balloon into Beth Ditto.

Putting visions of the Gossip star to one side, the boss and I both went for pork. I plumped for casarecce (scroll pasta) with pork and fennel ragout. Unctuous, salty, sweet – this dish was a perfect fit for ladies who lunch, then say sod this and have five pints.

The boss's far less ladylike pork shoulder should have arrived on a litter, Henry VIII-style, it was so royally massive. Gleaming with rendered fat, reclining on a sea of polenta, it nearly (*nearly*) bested him. For puddings there was nothing that took our fancy but the boss looked like he fancied feeling up mine. Drunk and

polishing off this once unloved quarter of south east London continues. Amongst the pet-pampering boutiques and chin-stroking punter-packed art galleries nestles Zucca, a thoroughly modern Italian restaurant. Sure, they've made allowances for cutting-edge Bermondsey – not a checked table cloth or tricolore salad in sight – but this is a bright, airy

I DIDN'T FANCY PUDDING. BUT HE FANCIED FEELING MINE

and unpretentious canteen that keeps it real – Italian.

One look at the price list tells you you've hit gold (although how the owners are making enough shekels is anyone's guess) – the most expensive

full, we had barely breasted seventy pounds – on to the pub! Savings must really turn him on!

As I hoped, over a pint, he soon forgot about any financial strictures and worried about my sartorial ones.

I'll draw a veil over that, but let's just say I don't think I'll be downgraded to eating at McDonald's any time soon.

I thought he meant sucking his cock – instead he had me scrubbing the bathroom floor! It didn't take me long, but then he walked in leaving footprints and told me to do it again!

"Bastard," I said. He told me if I wanted fucking I'd better get scrubbing. I never reckoned housework would be a turn-on in a million years, but as he stood over me, to "make sure I was doing it right", I felt my pussy juicing up like a big, ripe, succulent peach!

"OK, I want to fuck now," Alexander said, sounding like it was just another chore we needed to get over and done with. He stood me in front of him, cupping my tits and thumbing my nipples, but when I moaned he told me to shut up – he didn't care if I enjoyed it or not, as long as he was getting his kicks!

Now his fingers were circling inside

He grabbed my hips and slammed in hard and deep

I tried to do it as sexily as possible,

Me and Alexander have been seeing each other for a few months, and he's so laid-back, I still find it hard to believe he's a hotshot manager at work. Then, one day when we were meeting for lunch, I turned up at his office early, and overheard him give someone a bit of a bollocking.

He was mortified, worried I'd think he

was a shit, but I said that if he got all stern with me, maybe it would give me a twisted thrill.

He was reluctant but I kept on nagging him, riling him up, till he told me to turn up at his place at 9am sharp that Saturday, in my kinkest undies.

These were a peephole bra and crotchless panties, and he asked if my high heels were comfy. "Not really," I

but he wasn't bothered. He just grabbed my hips, slammed in and fucked me with quick strokes, grunting as he got closer to cumming. I moaned along with him but he just told me to be quiet! Then he pulled out, slapped his cock along my crack and jizzed, soaking my arse and the flimsy panties.

"OK, go and wash the dishes now," he said. "And no touching yourself."

Yeah, he really was a bastard – a bastard who knew just how much I'd be aching to cum right now. Instead, he'd left me damp from his spunk with a semi-satisfied pussy.

Just when I'd got started, he interrupted, ordering me to get him a beer from the fridge. He rolled the cold bottle over my bare belly, making me shiver, then said the dishes had better be clean or I'd be in trouble.

I washed them twice, three times, really

Take my load

My new bed – king-sized – arrived last week and part of the deal was that the deliveryman would assemble it.

I made him a cuppa and, as he drank it, I lay down on the

mattress, just to try it out.

I said it felt a bit big for just me, and he immediately replied that he bet I wouldn't have it all to myself for long.

He looked a bit awkward, realising the comment was probably out of order, but I asked him was that a come-

on. "If you're saying yes," he said, and I just patted the other side of the bed.

His name was Jack and he joined me, looking a bit awkward, but once I started snogging him, he got right into it, sucking my tongue into his mouth and rasping his against it.

I rubbed my body up against his, moaning as his hands found my hips, then felt their way up to my tits.

He squeezed them, rubbing the nipples as I undid my top and pulled them out of my bra, then he bowed his head and sucked on them in turn.

I splayed my legs, wrapping them round his thigh and humping myself against it. Although he was wearing jeans, I wondered if he could feel how hot and moist I was getting?

Well, he knew for sure a few minutes later when his hand crept up my skirt. He fondled me through my knickers first, then slipped inside them.

My slit was so lubed with my juices, his fingers just shot right inside my hole the

caught my clit as he stroked in and out, and all the thrusting and stirring soon had me boiling on the point of an orgasm.

That's when he started

My boobs and stomach were one big mess of spunk

second he touched it.

I tightened around them, pulling them in as deep as I could. I started scrabbling at his flies, hands shaking slightly, but he let me take my time, unbutton and unzip him, then let his meaty prick swell up in my hand.

It was so hot against my palm and dribbling with wetness, and I was so tempted to suck it. But if my pussy could have screamed for a shag it would have, and so I rolled over on my back, legs spread in the ultimate invitation.

Jack said I should be naked, this first time on my new bed – although I took this to mean he just wanted to see me with my kit off. I wanted to see him too and he didn't disappoint – nice, big, fit and totally in proportion.

He spread my legs then guided his dick into me, kneeling between my thighs at first then getting on top to do me deep, missionary style.

Between us, we managed to tilt my hips so his crotch

giving my tits a bit of attention again, sucking one and teasing the other with his fingers. I felt myself clamp tight around his shaft, then pulse in climax.

He fucked me slow until I couldn't cum any more, and then I just lay back, all hot and tender, as he took care of himself. I wanted him to cum in me, but he didn't want us leaving a wet patch on my brand new bed!

Even when I said I didn't mind, that it'd be like marking territory with our fuck-juices, he couldn't help but be professional

about it! So I told him he'd have to squirt all over my tits and belly instead.

He had a big pair of balls on him, and his spunk came out like it would never stop. When he finally did finish – with a little help from my hand – my boobs and stomach were one big mess of sticky splatters of spunk.

I was tempted to roll over and rub the lot all over the bed but he'd have been gutted!

Terri, Berkshire.

at my prick like a lolly, tongue lashing my helmet as her hand squeezed round my shaft.

Devon was fondling her arse-cheeks, and rubbing himself against them. Not that he needed to get any harder, he just liked painting her skin with his shiny pre-cum.

Now he was in her cunt – I felt as much as heard her sigh around my bell-end, and she kept on sucking me steady as he humped in and out.

I told him to diddle her clit, so he did, but she didn't miss a beat blowing my dick.

I could feel the spunk begin to rise in my balls, and clenched every muscle in my body trying not to jizz. But if there's one thing Jenna knows it's how to get me off, and

she gave my plums a tickle, unleashing my load into her mouth.

She swallowed noisily, letting some of it dribble out. Then she banged back against Devon's crotch, so he stopped trying to pace himself and thumped hard into her.

His body slapped up against hers as his cock pounded in and out of her sodden depths, then he jammed it right in and I knew she'd be clenching hard, tugging the cum out of him.

Needing a breather, Devon and I tried to watch the game, but having Jenna draped over us naked was a bit distracting. Not that we were actually complaining, mind...

"As in spit-roast..." and asked, "So why do they call it that, then?" At least she twigged while we were laughing at her!

necking with me as Devon had a good grope of her tits – he's always been a boob obsessive. Then she asked should she get on her hands and knees.

"It's still a spit-roast if you do it standing up," said Devon. "As long as she has a dick at both ends."

REAL WIFE SEX

Caitlin's story continued from page 19

slobbered up and down it, enjoying it enough that he'd be pleased, but not so much Alexander would get pissed off!

Then Mark said he was getting close, and asked Alexander could he cum in my face.

"You heard him," said Alexander, and as I arched up, he held my hair back. Mark's cock was still spit wet, and my hand flew up and down the shaft before I pointed it at my face. The

thoroughly, then realised he was fucking with me – he wanted me to mess up. So I grabbed a white china cup and drank some water from it, smearing the rim with my red lipstick.

Alexander said I was a useless tart and he should fire me, but he'd give me one more chance. He said a mate of his was coming over and I'd better make him happy.

In the meantime, he said, I could get some of that bright red lipstick all the way up his shaft and round his balls.

I'll admit I felt fazed, wondering who'd turn up. I think Alexander felt a bit awkward, too. I was trying to suck him all over, taking his cock right down my throat so my lipstick streaked the entire length of it. Then, when I had just his helmet in my mouth, he put a hand on my shoulder and, dropping the stern act, made sure I knew I didn't have to do anything I didn't want to.

"It's OK," I told him, wanking him as I spoke. "It won't be the first time I've had two blokes." Not true, actually, but I wanted to do this! And I sank my mouth over his hot, hairy ball sack and gave his plums a good suck to assure him I was as up for it as I said I was.

I thought: What if it's the bloke he'd told off in the office? Maybe he was in on it! But no, it was actually just a mate of Alexander's, Mark, who I'd met

briefly once, in a pub. I hadn't paid him much attention then, but I had to now, especially when he was stripped down to his pants.

He hadn't been told what was going on, but he cottoned on pretty quick. They discussed me like I wasn't there, and Mark said maybe he should do me up the arse, because his missus never let him.

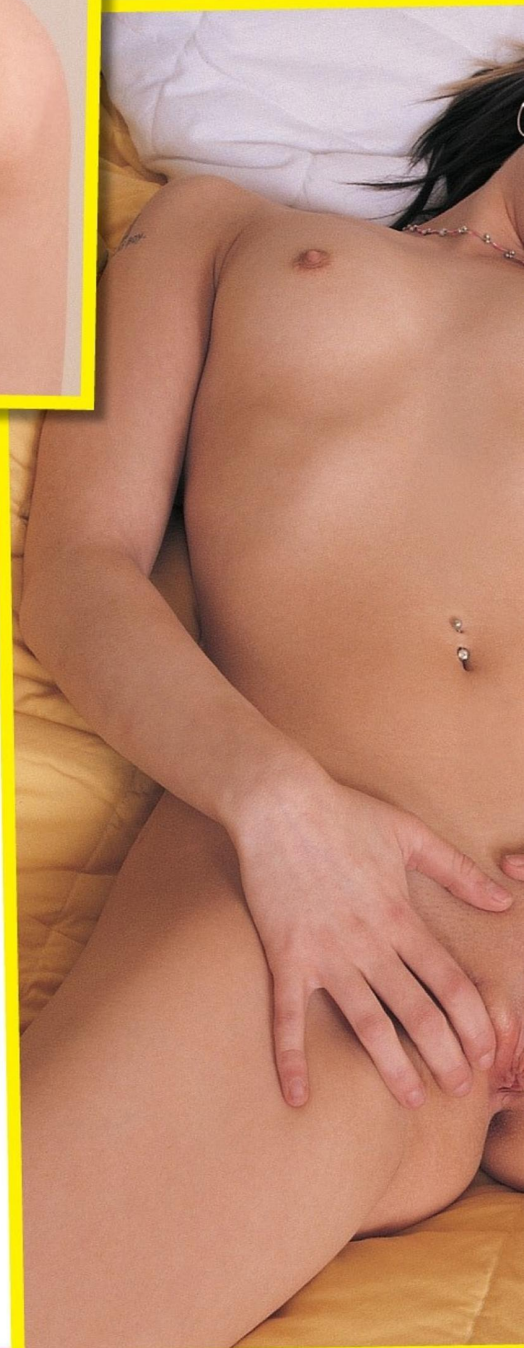

"I haven't even fucked her arse yet,

mate!" said Alexander. I knew that would be on his to-do list now, but he recommended I suck Mark's dick.

Mark laid on the couch, and I knelt down, sucking him sideways on. Alexander kept fondling my snatch, so I'd suck Mark with even more passion, but any time I got close to cumming, he'd stop.

Now he unzipped to do me from behind again. This time, though, he leant right forward, grasping my tits and breathing down my neck, watching while I went down on his mate. Mark had a nice, meaty cock on him, and I

first jet hit, then another till it was dripping down off my chin and onto my boobs.

Alexander pulled me back to sit on him, kissing my neck really tenderly as he played with my tits. This time he did bring me to a cum before getting off inside me.

He said later I'd fulfilled his fantasy – he'd always wanted to watch a girlfriend with another bloke. Too bad Mark couldn't hang around after the blowjob for some reason, 'cause Alexander had wanted to see me get fucked too. I said I'd like playing that game a lot, so maybe he'd get the chance to very soon... 🍆

Campus carry-on

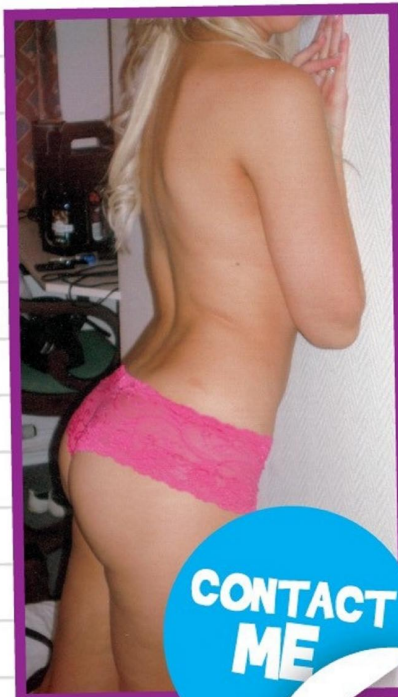

Helping to show would-be students around the campus in my second year meant I got a few good shags out of it – mostly with lads of course.

But then Fiona turned up. Punky and a bit scary was my first impression, but she had a wicked sense of humour and looked dirty.

As her coach home wasn't till the following day, I said she could crash in my room.

Relaxed by a few pints, we flopped onto my bed, snogging as soon as we hit the mattress – we'd both known there was something more than instant friendship happening.

And she seemed impressed

when I took the lead, bringing her off with two fingers up her twat and my hand rocking and pressing on her clit.

Fiona said she'd been "shopping" before arriving at the campus, and showed me what she'd bought, including a strap-on.

I laughed at the idea of her being interviewed with a backpack full of sex toys, then helped her try it on. It freaked me out a bit – eating pussy was about as kinky as I'd got up till now. Then Fi said, matter-of-factly, "It's just like cock."

No arguing with that – she had me on all fours a few

seconds later.

I reached between my legs and grabbed the helmet, then guided it inside my

aching hole.

It felt real – perhaps a bit stiffer and colder than the genuine article, but I could

Vodka chaser

Nev and I met when he gatecrashed a party. He was in his thirties, so hardly a dirty old man, but he stuck out like a sore thumb.

I think the litre-bottle of premium vodka he turned up with helped him get in through the door, though!

I grabbed a glass then strutted up to him. He poured about a teaspoon in there then said if I wanted more, I'd have to do something for him.

Most blokes couldn't pull off a line like this, but I snogged him.

"That just earned you another finger," he grinned and he didn't just mean vodka.

He half-filled my glass and I knocked back a mouthful, sucking on an ice-cube too. Then I gave him a cold, boozy kiss and dragged him into the utility room.

We snogged again and then I worked my way down with an ice-cube in my mouth, tracing a wet line down his

body. I pushed it in his belly button as I undid his jeans and got them and his boxers down, then I sucked what was left of it till it melted, and took his cock in my mouth. Normally that kind of cold would be dick-shrivelling. But the suction of my warming mouth won through.

When he was ready to cum,

I wanked him into my drink! I raised it like I was toasting him, then used a finger to stir it until the strings of cum dissolved into the vodka. Then I downed it in one.

Nev looked gobsmacked, and I couldn't believe what I'd just done either. He laid me back and took a melting ice-cube out of my drink and

hear my breathing speed up as she started pummeling into me. I fingered my clit, almost wrenching myself off her as a jolt of pleasure hit me, so she grabbed my arse firmly and rode me even harder and deeper.

I came twice and let her fuck my tender pussy a bit longer but, obviously, she wasn't going to finish like a bloke would.

She pulled out and I flopped down on my front,

feeling a bit spent, only for her to come around the front and shove the cream-coated dildo in my face.

Dazed though I was, I gobbled it, sucking and licking it clean of my own wetness. Too bad she couldn't spunk in my mouth, but I'd already eaten plenty of my own cum.

Fiona ended up at another uni, but we've stayed in touch and had more fun!

started to play it along my slit. Then he pushed it up my pussy, reaming in and out with his hot tongue, melting it out of me.

He ate me, while wanking furiously to get himself hard again. I was halfway to orgasm, so I decided to just stay where I was. I like vanilla vodka and there's nothing wrong with vanilla sex either, as long as it's with some dirty bastard who's mauling your tits and pounding your twat hard.

He had practically pinned my arse to the floor by the time he shot his second load, his big hand rubbing my clit so I came round his pulsing shaft.

I played it cool, helping myself to more vodka then going off to join the party, saying I'd see him around. Not that night I didn't, though. Did he just go home or to find more pussy? I don't know. But I'm hoping he'll gatecrash again!

Watch me go

Watching porn is my thing, and I got a major thrill from a live sex show on a stag night, so the idea of seeing my missus take cock off someone else started to appeal.

Part of the deal was I got to watch, so I sat on the bed, cock in hand, as my new mate Kev stripped Lucy off, snogging her and sucking on her tits.

She obviously fancied the arse off him – as he started fingering her snatch she looked lost in enjoying it, then she'd look at me. Understandably, she seemed nervy at first, then when she saw how hard it was getting me, a little smile crossed her face, maybe even a smirk!

Kev was obviously a porno freak too, going by the positions he got

to feed her my own rigid shaft. He was fucking her and making her cum with his fingers, but she didn't miss a beat as she blew me.

£60

She smirked as she saw how hard I was

her into – anything that would spread her wide and give me the best view of his prick pounding in and out of her.

One time he was spooning her, with one of her legs stretched right up and back. She liked it when he got a bit rough with her nipples, pinching and tugging on them. And when she squealed, he wet a couple of fingers in the juices and had her sucking on them, muffling her moans to whimpers.

Then he said maybe she should be sucking on something else – my cue

Kev was first to lose his mess, and he asked if he could spunk inside her. "Mmm..." she moaned, and he squeezed her tits as he shot so she sucked even harder on me.

He stayed inside her while he was still hard, then pulled out and she immediately caught the spunk and cunt cream, and started to slather it over herself. The sight of that sparked me off, and I blew my own into her mouth, only for her to let it dribble out to smear on her tits.
